

Life Group Study Guide  
Sunday, January 17, 2010  
Key Scripture: Philippians 2:1-11  
Key Topic: The Mind of Christ  
West University Church of Christ

**PART I:**

Before you begin your discussion from this morning's sermon, we would like you to take a moment as a life group and make out a list of areas in our church where we need to "Rediscover our Focus", which is the theme for 2010.

Have someone write down all the ideas, whether big or small, and then have the Life Group Leader, or the person who wrote the ideas down, email them to Lane at lanewidick@gmail.com so we can use these ideas in our planning for the year.

**PART II:**

**Icebreaker:**

Take a moment and talk about what everyone has been doing over the break from Life Groups. Share about your family, news anyone may have, and maybe some things you got for Christmas.

**Dig:**

1. What motivates you to want to be like Jesus Christ?
2. In what ways do you need to stop "grasping" and "step down" into a state of servant-hood?
3. How does the whole idea of servant-hood strike you?
4. Is there any type of person you don't like to serve?
5. How will implementing this passage change the quality of fellowship you have with others?

**Reflect:**

6. How do I measure up to Christ's example--
  - a. In his unselfish behavior?
  - b. In his humility?
  - c. In his sacrificial attitude?

**Prayer:**

- Spend some time praying about where you are having the most difficulty relating to other members of the body of Christ. Ask God to help you change that aspect of your life--beginning now.
- Please pray for our elders as they go through the process of installing new deacons.
- Pray for Haiti
- Pray for the growth of your Life Group and our congregation
