Key Scripture: Philippians 2:5-11
Key Topic: Doctrinal Duties
West University Church of Christ

Read Philippians 2:5-11

How is the life of Jesus an example of humility?

How did Jesus express humility in relationships with others?

In what ways did Jesus “take the nature of a servant”?

How is this an example for us?

How can we be humble and confident at the same time?

What image comes to mind from vs. 9-11?

What will be the difference from doing what is explained in vs. 9-11 voluntarily now vs. being forced to do it in eternity?

What is the attitude of your non-Christian friends toward the idea of being forced to kneel in recognition of Jesus Christ?

What blessing or guidance do you receive from this passage?

Prayer:

Please pray tonight that our church will be dedicated and committed to the new year. Pray that our elders will make the right decision and have a vision for the church.

Pray for our new deacon selections.
